Jennifer Smith proposed using preferred seating at Pageant of the Bands as a fundraiser for Winter guard to help defray costs of an out of town competition. After discussion, members in attendance felt that if Winter Guard wants to organize and run the preferred seating they could use this as a way to earn money for the trip.

Poinsettia orders were sent home on last week. Orders are due November 18. No late orders will be accepted. There will be a pizza party for the winning section (smaller sections have been combined).

The Boosters are currently getting prices to purchase a new generator. Our current generator is showing signs of age and needs to be replaced. This will be a major purchase and will be voted on in the near future. Also, a new spiritwear company is being researched. We hope to debut new spiritwear at the Winter Concert.
